No member shall be entitled to any of the rights of membership while its subscription for the calendar year in progress remains unpaid.

Membership of the IUHF will lapse automatically if the annual subscription fee of a member remains unpaid by the 31st of June of the year following the calendar year in which they are due. The IUHF Executive Committee, at its discretion, may waive the condition for any period.

The annual subscription fees of organisations that have only part of their assets in home financing shall be calculated by reference to the proportion of their total assets attributable to home financing.

For any questions relating to the IUHF subscription fees, please contact the IUHF Secretariat at the address below.
